Project wide - N/NW 85th St and Greenwood Ave N

While major construction in phases 1, 2, 3, 5 and 6 (repaving on Greenwood Ave N) has been completed, the contractor will be conducting minor wrap up work this month, like adjusting traffic signs, reinstalling bike racks, and final adjustments to the new asphalt and concrete roadway and sidewalks.

- Detour routes will be clearly posted for drivers; pedestrian access will be maintained.
- Local access to residences and businesses will be provided.
- Nearby residents and businesses should expect noise, dust, odor and

vibrations during construction activities throughout the weekend.

Note: construction activities are weather dependent and subject to change.

Transit Information:

- Buses traveling eastbound on N 85th St will continue to use N 80th St during Phases 4 and 5.
